

VISION AND MISSION OF THE INSTITUTION

The Institution places highest emphasis on Achieving academic excellence through its well-articulated vision and mission and clearly defined objectives.

VISION

S R College of Professional Studies ensures providing a conducive environment and culture of creativity by delving into the depth of young minds and helping them to provide best results for the development of self, so as to contribute to the society and the country as a whole. It offers multidisciplinary education platform that enables students to pursue study deep in breadth and depth in the areas of their interest and excel in every sphere of life. The institution has a vision to emerge as a centre of excellence of national and global repute for the students, academicians and industries.

MISSION

The S R College of Professional Studies has a mission

- To create leaders, winners and achievers in a global corporate world.
- To open new vistas of opportunities for its students by understanding their needs and providing them meaningful education.
- To ensure consistent efforts in the quality of education through changes in the delivery systems and by designing and maintaining an environment this will contribute towards better employability of the students.
- To prepare graduates with sound knowledge of fundamentals and adequate level of professional competence, this would meet the needs of the respective profession at regional, national and global level.
- To assess and enrich the professional programmes offered at various levels through appropriate teaching-learning process.

Achievements of Last Five Years

SR College of Professional Studies, Jhansi always believes in quality and continuous growth. Keeping this in mind, the management of SR College of Professional Studies, Jhansi decided to open an Agriculture college in campus and added some new courses under the same banner of SR College of Professional Studies, Jhansi in 2016-17. The motive behind it was welfare of farmers of Bundelkhand region and welfare of society.

Since the inception of SR College of Professional Studies, Jhansi came into existence it never looked back and kept on making efforts to give more amenities to the students associated with the institute. Last five years have been the period of great achievements and progress.

- 1. Hostel** - In the series of achievement the first most important achievement is the establishment of hostel in campus of SR College of Professional Studies, Jhansi. The management of SR College of Professional Studies had been providing hostel facilities since the beginning of the college in the city area but college planned to open a hostel in college campus in 2014 and our dream was fulfilled in 2016 in the form of a grand hostel in college campus. The hostel of SR College of Professional Studies, Jhansi is full of modern facilities. It is covered around a big area. It has well constructed and well equipped 60 rooms. The rooms of the hostel have been divided in three categories. Single seater, double seater and three seaters room. The entire campus is quite safe and secure entry to the campus is completed by security staff at security gate. Each room of hostel is furnished with curtains mattresses and attached toilets. It has also facility of mess and dining. Boy's hostel has also common TV room and place for indoor games. SR College of Professional Studies, Jhansi has also

PRINCIPAL

AMBABAI (JHANSI)
COLLEGE OF PROFESSIONAL STUDIES

separate Girls hostel with all facilities. Though the college has been providing hostel facility for the girls since the beginning of the institute in city area yet in college campus the girl's hostel was planned in 2016 and was completed in 2019. It has 15 rooms which have been divided in two categories, double and triple seaters. There is also a girl's common room available in hostel. All rooms of hostel have attached toilet. It has common T. V. Room and internets facility also.

2. **Transportation** – The second achievement of SR College of Professional Studies, Jhansi is to develop its own transportation facility for the students. Though SRCPS had been providing transportation facilities since the beginning of the institute, the college planned to purchase some more buses for SRCPS and it was planned in 2016 and bought four buses in 2017. SR College of Professional Studies, Jhansi is situated in Village Ambabai and well connected with Jhansi city. It offers transport facility to its students and faculty members on very nominal charges. The buses run on different routes of Jhansi and area near by Jhansi to pick and drop the students and faculty member. Our bus drivers are highly qualified and licensed by the RTO to drive college buses. It ensures the full safety of both the students and staff members. All buses are air-conditioned and equipped with modern facilities.

3. **Cafeteria** – SR College of Professional Studies, Jhansi also focuses on the basic requirement of students and faculty members since the students have to spend 1/3rd of the day in college campus, where they need better food arrangements on reasonable prices. Keeping this point in mind the management of SR College of Professional Studies, Jhansi also decided to upgrade its cafeteria and to provide students a comfort zone in college campus. SRCPS had been providing canteen facilities to the students

PRINCIPAL

AMBABAI (JHANSI)
COLLEGE OF PROFESSIONAL STUDIES

and faculty members since beginning and planned to renovate its canteen in 2012 and completed in 2013. The old canteen of SR College of Professional Studies, Jhansi was renovated with well equipped kitchen with variety of big freezers and utensils. In college cafeteria there is a proper seating arrangement where students can refresh their minds in free time and enjoy mouth watering dishes at normal rates. The cafeteria is run by the authorised vendor with the assurance of good quality food.

4. **A.T.M.** - Since SRCPS has always been practicing to provide more facilities to the students and staff .The management of SRCPS planned to get an ATM installed in campus in 2011 and the same was installed in 2012. Our college is situated in village area there is no bank available for the students and villagers. Keeping this problem in mind the management of SRCPS took initiative and an A.T.M. of Oriental bank of commerce was installed in the campus of SRCPS it made the transactions of money easy for the students and the villagers. Before the installation of ATM students and faculty members had to go out from the college for any transaction the installation of the ATM of college campus saves time and provide more facilities. Now the services are being provided by Punjab National Bank due to the merger of nationalized bank.

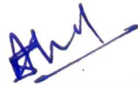

5. **Availability of Water Harvesting System in Campus** - SRCPS had its own water harvesting system since the beginning of the institute but the management of SRCPS Planned to reconstruct and to equip it with modern instrument for smooth functioning in 2014. Water is essential for life and plays a major role in earth's climate. SRCPS has also developed its rain water harvesting system. Recharge of ground water and rainwater collection and utilization are implemented in campus of SRCPS. Rain water harvesting method that are implemented in SRCPS and has many

PRINCIPAL
S.R.C.P.S., SRGI
AMBABAI
COLLEGE

benefit such as it prevents soil erosion and increases ground water levels. In the campus of SRCPS there is a big pond in campus which has been constructed to collect the waste water and to collect the rain water. Since beginning SRCPS had a pond to collect the waste water but pond was reconstructed and equipped with same new machineries in 2014. Campus has also perfect drainage system where water of drains is collected in pond. Water harvesting system of SRCPS helps in increasing the level of ground water and it is used to water the fields and plants in the campus

6. Yoga Centre in Campus - SR College of Professional Studies, Jhansi also feels the importance of overall development of the students and faculty members. Keeping this view in mind a yoga centre was also established in campus of SR College of Professional Studies, Jhansi in the year of 2018 and which was planned in 2017. The yoga room with its soothing ambience and well maintained floors, simple decor along with the generous provision of yoga mats, enable students to gain co-ordination of mind body and soul. Guidance by trained instructor helps students to refresh themselves. The spacious yoga resource centre also has facility of internet. Since the yoga is a Part and Parcel of human lives. The institute provides the prospective teachers yoga sessions under the guidance and supervision of the trained professionals.

7. Up-gradation of SIM Software and Development of APP- SRCPS always believes in growing technology and innovations. Since the beginning of the institute it has own server room and many software's which make working easy and reduce manual work. In 2017 SRCPS planned to add some new features in SIM Software and in 2019 college updated its software and brought with some new

PRINCIPAL
S.R.C.P.S., SRGI
AMBABAI (JHANSI)
COLLEGE, JHANSI - 209001

features. SR College of Professional Studies, Jhansi has always been making attempt to provide the students environment of latest technology and E-commerce. Keeping this view in mind the SR College of Professional Studies, Jhansi brought SIM software with latest features which made day to day working easy with the help of new features of SIM software. Student does not have to make round of hare and there. They may see all their dues and account with one click. Up graded SIM software also provide facility to the faculty members for applying leave and monitoring, student's attendance, and their own attendance and status of leave. There is one app names G5 which can be logged in anywhere on mobile and important information may be collected.

- 8. GYM Facility** - The importance of exercise cannot be ignored for good physical and mental health. GYM facility in college campus is another big achievement of SR College of Professional Studies, Jhansi in last five years. Gym was planned in 2017 and completed in 2018. The institute offers GYM facility to all its students and staff. The GYM here has all the modern equipments for work out and is made available to students during morning and evening hours. A trainer is also available in the campus to educate the students and train them. The GYM is furnished with the latest and best training equipments consists of tread mills, elliptical trainers exercise bike, rowing machine and full-fledged multi GYM.
- 9. Basic Electronic Project** – Automatic Street Light Control System Here is our new simple Electrical/ Electronic project about Automatic Street Light Control System which was planned in 2020 and successfully completed in 2021 with following features:

PRINCIPAL
S.R.C.P.S., SRGI
AMBABAI (JHANSI)
COLLEGE CODE-590

- It is a simple and powerful concept, which uses transistor (BC 547 NPN) as a switch to switch ON and OFF the street light system automatically.
- It automatically switches ON lights when the sunlight goes below the visible region of our eyes. (e.g. in evening after Sunset).
- It automatically switches OFF lights when Sunlight fall on its (i.e. on LDR) e.g. in morning, by using a sensor called LDR (Light Dependent Resistor) which senses the light just like our eyes.

10. Waste Management System - Waste management or Waste disposal is all the activities and actions required to manage waste from its inception to its final disposal. This includes amongst other things, collection, transport, treatment and disposal of waste together with monitoring and regulation. It also encompasses the legal and regulatory framework that relates to waste management encompassing guidance on recycling.

Our waste management system was planned in 2017 and established in 2019. We have a tank for the waste management, and the tank have two partition's for dry waste and wet waste, the size of tank for dry waste is (9.5×7.5 ft.), for wet waste tank (9.5×6.5 ft.), all waste material collected in tank (non hazardous) after some time all waste convert in terms of organic fertilizer.

11. Renewable Energy- Electricity is a very important resource to run any institution keeping this thinks in mind the management of SRCPS decided to install a Solar Panel of 25 KV in 2017 and successfully installed in 2019 in college campus to save electricity and reduce expenses.

PRINCIPAL
 S.R.C.P.S., SRGI
 AMBABAI (JHANSI)
 COLLEGE CODE-590

12. Vermicomposting Unit- A Vermicomposting unit was established with tank sized [10x3x2.5] ft for the organic farming in 2021 which was planned in 2020. It's maintained for the production and supply of earth worms and Vermicompost to cater the needs of the station as well as farmers. Vermicomposting is the process of degradation of organic wastes by earthworms to achieve three objectives:

- To upgrade the value of organic waste material so that it can be reused.
- To produce upgraded materials in-situ.
- To obtain a final product free of chemical or biological pollutants.

13.E-Waste Management – The institution has developed its own e-waste management system in the year 2017 which was planned in year 2016 in campus of SRCPS where electronic waste like printer, cartridges, obsolete computer system, UPS batteries, peripherals and others are returned to the manufacture.

14.Smart Classes – Online classes and lectures smart class rooms are the need of the day. Keeping this in mind SRCPS has planned to established smart classrooms for enhancement of the technical skills and knowledge in 2017 and installed with the projectors etc in 2018. Each room will have good sound system.

15.National Service Scheme (NSS) – To increase the participation of social activities the SR College of Professional Studies, Jhansi, has planned to start National Service Scheme (NSS) unit in the year of 2019 and got the approval in 2021. The motive of the establishment was to inculcate the Human values and ethics in the personality.

Mission and Plans for Next Five Years

The management of SRCPS believes in continuous growth and innovations. Keeping this view in mind, the management of SRCPS has planned many things for next five years. SR College of Professional Studies, Jhansi wants to provide more facilities and quality education to its students and employees. The management will focus in achieving following goals in upcoming five years.

- 1. A Modular Kitchen** - The management also takes a great care of hygiene. Highly standard of hygiene are essential when food is prepared. Keeping this view in mind the management of SRCPS has planned for modular kitchen in hostel, which will provide students a more hygienic food. The kitchen will have wooden work and will be full-fledged with large cupboards and wardrobes where edible things may be kept with safety. Modular kitchen will also have modern utensils and equipments prepare food in less time.
- 2. Plantation of 1000 plants**- Plantation has always been a suggestion to better the earth. Whether it is outcry and warning of global warming. Water crisis or something else. Keeping this mind the SRCPS has planned to plant 1000 plants. We would like to plant different varieties of plants which will make the campus eco friendly. An internal team of Agricultural department will be appointed to take care of these plants and fulfill needs of plants. To create good academic environment and to facilitate teachers residents in college campus play a vital role in the growth of institute.

PRINCIPAL

AMBABAI (JHANSI)
COLLEGE CODE-590

- 3. Residents for Faculty-** Keeping this in mind the management of SRCPS has planned to provide residents to the faculty members and staff in campus. We have planned to build four types of quarters which will be allotted according to the rank of the faculty members the quarters will be furnished all facilities. We will also have a park and a temple in the residential area. There will also be a hall there small functions will be organized.
- 4. Complex and Shopping Mall -** We have also planned to open a complex and shopping mall for the convenience of students and faculty members.
- 5. Swimming Pool -** Studies are found that swimming has numerous health benefits that include strong cardiovascular system, stronger muscles and is a great stress reliever. Keeping this mind SRCPS has planned swimming pool in college campus. We have planned two pools one for the girls and another for the boys. The pool will have large space and will be made of the marbles and also will have steel railing and stairs. There will be regular sanitization and the water will be changed regularly. We will also appoint one lady and one gent's instructors to teach our students. They will also learn to save themselves at the time of any exigency.
- 6. Bridge -** SRCPS has more land behind railway track. To make the best use of the land The management of SRCPS has planned to go for the under bridge construction in upcoming years with help of railways soon an application will be submitted to the DRM Jhansi for the approval of same. As soon as we get the approval Construction of the bridge will be started. Some more blocks will also be constructed at the other side of the track.

PRINCIPAL

COLLEGE CODE-590

- 7. Digital Classroom** - The corona pandemic has increased the importance of on line classes and lectures. Digital classroom are the need of the day. Keeping this in mind SRCPS has planned to have some more digital classrooms in upcoming years some more class rooms will be digitalized. The classrooms will be well equipped with projector and screen. Each room will have good sound system and other instruments as mikes and laptops and audio visual aids. All faculty members will be given laptops and tabs to run the classes smoothly and their lectures will be recorded. Students will also be motive for only digital presentation of their projects.
- 8. A Separate Gym for girls-** As it has been rightly said that healthy minds remain in healthy body. Keeping this in mind the management of SR College of Professional Studies, Jhansi has planned for separate GYM for girls and lady faculty members in upcoming years. The GYM will be full- fledged with all modern equipments and machines, where the students may do various exercise to keep them fit. There will also be trained lady instructor to teach the ways of doing physical exercise and will give some tips for daily diet.
- 9. Auditorium** – an auditorium is the most impertinent requirement of an educational institute. Keeping this in mind the management of SRCPS has decided to establish an auditorium in college campus. SRCPS conduct many in house events, seminars, conferences, annual functions and other mega events where there is a requirement of an auditorium. We have planned to establish an auditorium within five years. Auditorium will be fully air conditioned and will have a capacity of 500 seats. It will be soundproof and equipped with Morden instruments,
